Subject: Cold Laser Therapy*

Effective Date: May 18, 2004

Department(s): Utilization Management

Policy:
Therapy with a low-energy (cold) laser (HCPCS S9838) is not reimbursable under Plans administered by QualCare, Inc.

Objective:
To assure proper and consistent reimbursement and to limit reimbursement to interventions of proven efficacy.

Procedure:
Requests for coverage of low energy or cold laser treatment will be denied as not medically necessary due to lack of evidence of efficacy in refereed literature and is thus deemed unproven.
