Subject: Essure Intrafallopian Contraceptive Implant*

Updated: January 26, 2010

Department(s): Utilization Management

Policy: The Essure intrafallopian contraceptive implant is reimbursable under Plans administered by QualCare, Inc.

Objective: To assure proper and consistent reimbursement and to provide coverage for an accepted technology.

Procedure: Requests for coverage of hysteroscopic tubal sterilization (CPT 58565) will be authorized if sterilization procedures are covered by the individual Client.
