Subject: Moderate Sedation*

Effective Date: May 1, 1999

Department(s): Utilization Management

Policy: Moderate sedation is reimbursable under Plans administered by QualCare, Inc. according to criteria in this policy.

Objective: To provide proper and consistent reimbursement and to delineate circumstances under which moderate sedation is covered.

Procedure: For patients who require moderate sedation:

A. Administration of moderate sedation by the physician performing the procedure (CPT 99143, 99144, 99145) is included in the reimbursement for the procedure.

B. If the services of an anesthesiologist are required (CPT 99148, 99149, 99150), the moderate sedation will be reimbursed separately if not part of the global facility fee.
